SECTION VI - DETAILED SPECIFICATIONS

At this time, the scope of services includes the following minimum specifications. The scope of services will be finalized once the contractor(s) for the project is selected.

1.0 Scope of Services

The work which the Contractor is required to perform consists of the following:

The Contractor shall work with the NAB Planning Department staff and the Alaska Department of Natural Resources (DNR) to complete the conveyance process for NAB's municipal land entitlements. This work includes the following activities:

1. Prepare the plats for the remaining municipal entitlement areas within the Borough, incorporating data from the previous field work.
2. Assist with mapping needs of development projects.
3. Assist in Staff Development with regard to planning, platting, and zoning.
4. Provide regular updates to the Planning Commission and Borough Assembly.
5. If funding allows, finalize the plats in the Kobuk municipal entitlement area, incorporating DNR's review comments, and submit the plats to DNR. It is anticipated that this will be the final submittal to obtain DNR's approval of most or all of the Kobuk area plats.
6. If funding remains, provide recommendations to the Planning Commission, Lands Committee, and Borough Assembly with respect to the Borough's municipal entitlement program.

2.0 Agreement Period

Work will be performed pursuant to a standard form Borough services contract (sample available from Borough Clerk) and will commence July 1, 2020 and shall terminate no later than June 30, 2021, unless terminated earlier pursuant to the contract's terms. The Borough may agree to extend the agreement for additional services, to be determined at a later date.

3.0 Payment

Payment will be made upon monthly invoices itemizing services rendered and reimbursable expenses. Services must be billed on a prorated-hourly basis. Flat-fee proposals will not be accepted. The Borough will pay invoices submitted by the selected contractor on a monthly basis as stipulated in the professional services agreement. Upon acceptance of the billing by the Borough Finance Department, the payment will be processed and submitted to the contractor.
