If the parties are unable to reach Agreement after good faith negotiations, the Contracting Officer shall determine the appropriate credit or reduction by written decision.

1.4 Authorization. Contractor acknowledges that all changes in the scope of the project, services, and compensation must be formally authorized and approved, in writing, in accordance with NAB contract requirements, procurement procedures, budgeting and funding obligations, in order to be valid and legally enforceable. No person, officer, agent or employee of NAB may bind NAB to pay for additional work in the absence of a written contract addendum, modification, change order, or additional services Agreement, duly executed and signed by the Contracting Officer. Contractor agrees to comply with contracting formalities and acknowledges that any actions or services provided prior to or without such formalities are provided without compensation and exclusively at Contractor's own risk.

1.5 Conflict of Interest, Business Ethics. Contractor represents that the Project will be performed in an ethical and professional manner free from any influence or interest that conflicts with NAB's interests or full performance of this Agreement. Such obligation shall not be

construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity that would otherwise exist as to any party or person described herein. In any and all claims against NAB or its employees, officers, assembly members, administrators, agents, and attorneys by any employee of the Contractor, any subcontractor to Contractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts
