

Northwest Arctic Borough
Title 9 Land Use Permit Application for Commercial Transporters
2012 Calendar Year

Once approved, this document will be incorporated into the administrative record of the Northwest Arctic Borough Planning Department

- Commercial transporter means: *a person or business that transports by any means (air, boat, hike, snow machine, ATV, etc) a person or persons for compensation (borough code 9.30.120).*
- Please type or print legibly in ink.
- Answer all questions completely or mark “N/A” if not applicable.
- Incomplete or inaccurate information may result in the denial, suspension or revocation of a permit.
- Permit applications are due **at least 10 days** before the first transport in the 2012 calendar year. We request operators to submit completed applications before any transport season for timely review and processing.

- Questions or need assistance: call the Planning Department at 907-442-2500

Permit Application Certification

I, the applicant or person duly authorized by the applicant, hereby certify that the foregoing statements and information contained in and submitted with this application are true and correct to the best of my knowledge, and that the application is hereby made for a Northwest Arctic Borough (NAB) Permit for the above described use within the boundaries of the NAB.

Signature of Applicant

Date

Any permit or approval granted hereunder is limited solely to the activities as described by the applicant in this application and supporting documents.

Failure of the applicant to provide true and correct statements and information in connection with this application, without regard to the intent, shall render any permit issued by the NAB hereunder, immediately void and without effect.

Any permit or approval granted by the NAB is conditioned on the applicant receiving all required state or federal permits. A proposed use cannot take place until all local, state, and/or federal permits are obtained.

Quyana (Thank you)
