PUBLIC NOTICE

04/06/2022

In order to prevent and make the necessary precautions amidst the latest developments with COVID-19, the governing bodies have made the decision to take these steps:

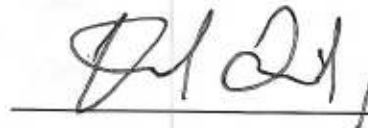

1. We no longer require to have travelers test prior to arrival to Selawik
2. Upon arrival, the need to quarantine has been lifted. You must take a test on the 5th day, and wear masks, unless cleared by PHN, and negative test on the 5th day. If there is a positive case in the household, ALL members of the household must quarantine for 5 days, if vaccinated, if not, then 10 days.
3. IF AT ANY POINT YOU DEVELOP THESE SYMPTOMS: FEVER, CHILLS, LOSS OF TASTE OR SMELL; YOU MUST GET TESTED.
4. Lockdown will be initiated if deemed necessary by village leadership.
5. These mandates will be effective on the date of signature and until further notice.

We are looking out for the health, safety, and well-being of our community. We would like to be proactive, rather than reactive. This mandate will be used as a tool to minimize the spread of the virus. Any questions or concerns you have, please feel free to contact the City or Tribal Office Administrators at their respective offices. We strongly encourage our residents to get vaccinated. We can work together and be responsible to address the need for action in the best interest of our community.
