

**NORTHWEST ARCTIC BOROUGH
ORDINANCE 17-04**

**AN ORDINANCE OF THE NORTHWEST ARCTIC
BOROUGH ASSEMBLY AMENDING THE NORTHWEST
ARCTIC BOROUGH CODE'S FINANCIAL CONTINGENCY
RESERVE REQUIREMENTS, AND FOR RELATED
PURPOSES.**

WHEREAS, Section 6.12.230 of the Northwest Arctic Borough Code established the Financial Contingency Reserve Account as a means of reserving designated revenue as a hedge against financial contingencies; and

WHEREAS, the current balance in the Financial Contingency Reserve Account is approximately \$8.5 million; and

WHEREAS, as Borough revenue from payment in lieu of taxes agreements has increased over time, the Borough has amended its contingency reserve transfer threshold to ensure that annual contingency reserve transfers are appropriate to meet target savings (2012, 2007, 2000, 1998, 1995); and

WHEREAS, if not amended, the current annual mandatory deposit of PILT revenues in excess of \$7.8 million under Section 6.12.230 will cause artificial deficit spending and effectively cap general fund revenue in annually-increasing amounts; and

WHEREAS, the Assembly has determined it is in the best interest of the Borough to amend the requirements of the Financial Contingency Reserve Account to raise the mandatory deposit level to account for increased PILT revenue that will be generated by the Borough's 2016 PILT Agreement with Teck Alaska.
