

# **Regional Energy Priorities 2017**

## **In order of urgency**

**(Discussed in the Feb. Energy Steering Committee)**

- **Bulk Fuel Buying & Logistics & Storage  
(Regional approach)**
- **Regional funding Strategy (JAA or COOP)**
- **Upgrades of Bulk fuel farms and power plants**
  - **Energy Education ( Energy Smart )**
    - **Heat Pumps ( Air and Hydro)**
    - **Solar Energy (Passive and PV)**
      - **Interties**
      - **Transportation**
  - **Community Efficiency programs**
    - **Wind energy systems**
    - **Biomass/Waste to Heat**
      - **Hydro electric**
    - **Combined Heat and power**
    - **District energy distribution**
