To whom it may concern,

Hello, my name is Colt Ticket, I am a senior here at the Buckland school. I am writing a letter of interest for the NWAB student representative position. As I am seeking a career path, I am looking at every opportunity in our region to help me decide in my major. I am currently a student representative for the NWABSD board. With that being said, I have experienced being in board meetings along with the hearing the different needs in our district for the children. If selected as the NWAB student representative, that would give me the opportunity to be involved with our whole borough and to learn the needs of our people.

Sincerely,
Colt Ticket
