WHEREAS: on July 13, 2022, the Village Improvement Commission passed Commission Resolution 22-04, approving and recommending the City of Ambler's two (2) VIF applications in the total amount of \$969,478.00 to fund heavy equipment project purchases, with an additional request to reappropriate \$203,848.00 of previously approved funding, for a reduced request of \$765,630.00 of new funds for final approval by the Northwest Arctic Borough Assembly; and

WHEREAS: this request is for the purchase of two A25G Rock Trucks/Articulating Haulers to support numerous existing and future community priority projects, including but not limited to the Ambler Tank Farm Project, Biomass Project, Search and Rescue Project, Gravel Extraction Project and community erosion prevention projects; and

WHEREAS: this project request is able to leverage preexisting VIF funds in the amount of \$203,848.00 awarded for the purchase of the same piece of equipment, an A25G Rock Truck/Articulating Hauler, however, was insufficient to cover the full cost and delivery, but can be reappropriated to reduce the current request from \$969,478.00 to \$765,630.00; and

WHEREAS: the Assembly wishes to approve the VIF application.
