

Northwest Arctic Borough

SUBSISTENCE GRANT

The exclusive purpose of the Northwest Arctic Borough Subsistence Grant is to assist those borough residents who need the financial resources to purchase subsistence nets and other related fishing gear to take advantage of the seasonal fishing, trapping, and/or other subsistence activities throughout the year. This grant is intended to help borough residents actively engage in a family or community activity which provides a commodity useful and beneficial to the health and well-being of family and community members.

- This grant is available for eligible applicants June 21st NWAB will not accept applications before the June 21st date.
- The grants are limited to one per individual.
- There will be no grant funds paid directly to a grantee.
- Each application will be granted under the assumption that no other monetary resources are available to the applicant.
- The budget is \$700.00. If over the budget, the applicant will pay the remaining balance.
- The resale of any subsistence equipment obtained by this grant is absolutely prohibited.

I acknowledge and agree to the terms, conditions, and requirements of the grant:
