

**NORTHWEST ARCTIC BOROUGH ASSEMBLY
RESOLUTION 13-05**

A RESOLUTION OF THE NORTHWEST ARCTIC BOROUGH ASSEMBLY TO ACCEPT \$293,300 IN AEA/EETF FUNDS FOR A TWO-YEAR REGIONAL ENERGY PROJECT AND FOR RELATED PURPOSES.

WHEREAS: the Alaska Energy Authority (AEA) allocated \$293,300.00 through its Emerging Energy Technology Fund (EETF) to the Northwest Arctic Borough to conduct Arctic field testing of a new wind turbine from Eocycle outside of Kotzebue on a site owned by KEA; and

WHEREAS: this energy project will provide information and data for a new turbine to function in Arctic environments, and if proven would provide a means to offset the use of diesel oil for electricity production in all rural communities; and

WHEREAS: this project will be conducted in partnership with KEA and require in-kind services from the Borough valued at \$5,000.00; and

WHEREAS: this project supports and expands on the Borough's current energy conservation efforts in our region that are critical to sustaining our communities and improving the quality of life for all Borough residents; and

WHEREAS: the Borough Assembly desires to accept the terms of the grant agreement to accept the AEA/EETF grant funds.

NOW THEREFORE BE IT RESOLVED: the Northwest Arctic Borough Assembly accepts \$293,300.00 in Alaska Energy Authority funds to fund project and for related purposes.
